

## Emergency SUB PLANS for Mr. Schoch

Date: Any Day

For the instructional day, you'll teach three sections of sixth grade LA/Reading during the following times:

Pds. 1, 2	Time: 9:06-9:46, 9:49-10:29
Pds. 5B, 6	Time: 12:31-1:11, 1:14-1:54
Pds. 7, 8	Time: 1:57-2:37, 2:40-3:20

In addition to the attached printed roster, students can show you where to find numbered cards for each class period.

1. Ask students to log on to computers.
2. Students should open two tabs: GMail and Schochsite.
3. At Schochsite, students should find the link in the left column that reads **Nonfiction Resources**. They should then click on **Opinion Pieces**, and choose the first link called **Cheerleading**.
4. Read through the directions at the top, and at the bottom (below the article). Students can read the article for themselves.

For the time remaining, students should work on this, and any part of it not done is homework.

About five minutes before period's end, have students go to Schochsite and click on Homework. That homework should be updated for today.
